

2nd Annual Feed a Family Fill a Truck

November 18th to December 6th, 2009

Join Milford Rotary in giving back to our community and helping fill the pantry shelves at Community Sharing. The food collected in our community will stay in our community to help feed families in our community.

Bring a non-perishable food item to the truck parked downtown Milford in the Milford Auto Parking lot on the day of the Christmas parade. Pet food will also be collected in a separate vehicle.

If you are interested in being a volunteer, having a red bin in your business to collect food, having flyers in your business to hand out, or having a poster please contact us.

Milford Marching Band students and parents are joining the Milford Rotary as a highly visible partner in reaching out to the community and supporting this event.

The truck will be parked downtown for Carol, Can and Candle as well.

For information call Sharon Peterson at 248-505-7954.
