

WHAT I'LL LEARN IN PRE-K:

Parents,

While your child is in Pre-K we plan on giving them the best experience possible by creating a classroom that fosters Emotional, Physical, Cognitive, Social and Language Development. Your child will learn:

- Responsibility for self and others
- Basic large motor skills
- Controlled writing of alphabet, words, and simple sentences
- About different objects through exploration and experiences
- Numbers, counting, simple addition, subtraction and telling time
- How to actively participate in conversations and asks questions
- To enjoy reading books

What your child will need while in the Pre-K classroom is:

- A change of weather appropriate clothing
- One sheet and one blanket for naptime
- One small book bag
